OBJECTIVE

Computer Science Engineering graduate with a strong foundation in programming, data structures, algorithms, and software development principles. Proficient in Java, Spring Boot, HTML, CSS, React.js, and SQL, with hands-on experience in designing and developing web applications.

SKILLS

Programming Languages	Java, JavaScript
Web Technologies	HTML ,CSS
Frameworks/Libraries	Spring Boot and React js
Databases	MySQL
Tools	Github, Maven, npm, postman and MySQL Workbench
Certifications	M.S. Office Applications – Yuva Shakthi Education Society-2022 , Full Stack Java Internship – skillDzire (May–June 2025), Linguaskill English Test – Cambridge Assessment English (B1 CEFR Level),

EXPERIENCE

SkillDzire - Web Developer Intern

May 2025 – June 2025

- Built a personal portfolio website using HTML, CSS, and JavaScript for responsive design.
- Developed backend APIs with Java and Spring Boot to handle contact form submissions.
- Integrated MySQL to store form data and manage dynamic content.

PROJECTS

- **Portfolio:** Created as part of my personal portfolio, this responsive website was built using HTML, CSS, and JavaScript to demonstrate frontend development skills and interactivity.
- **Student Feedback and Course Evaluation System** Developing an Online Course Management System with Spring Boot REST APIs, MySQL database, and a React JS frontend, featuring Role-Based Access Control for Admin, Instructor, and Student functionalities.
- **PG-hunt:** Developed PG-Hunt using a microservices architecture with Spring Boot, React.js, API Gateway, Eureka Server, and REST APIs, following industry-standard development practices.

ACHIEVEMENTS

PG-Hunt

- Developed PG-Hunt, an innovative platform where local PG Hunters personally accompany PG seekers to physically visit and compare suitable PGs, while connecting PG owners with potential tenants through a platform-fee model.
- Designed and implemented core microservices using Spring Boot, React.js, API Gateway, Eureka Server, and REST APIs, following industry-standard development practices.

EDUCATION

B.Tech (Computer Science and Engineering), G. Pullaiah College of Engineering and Technology

CGPA: 7.91 / 10

2022–2026

Kurnool, Andra pradesh, India
