OBJECTIVE

Final-year Computer Science student with strong skills in programming, data structures, and algorithms. Eager to contribute to impactful software projects and grow in a dynamic full-time role.

EDUCATION

B.Tech (Computer Science and Engineering), G. Pullaiah College of Engineering and Technology 2022–2026 (Pursuing)
Percentage: 71.53

Intermediate (MPC), AP Model School and Jr College 2020–2022
Percentage: 55.6

SSC (10th Class), AP Model School and Jr College 2019–2020
Percentage: 87.33

SKILLS

Programming Languages	Java, JavaScript
Web Technologies	HTML ,CSS
Frameworks/Libraries	Spring Boot
Databases	MySQL
Developer Tools	Eclipse, IntelliJ IDEA, VS Code, Spring Tool Suite, Git/Github, MySQL Workbench
Academic Coursework	Data Structure, Operating System, Computer Network, DBMS
Certifications	Full Stack Java Internship – SkillDzire (May–June 2025), Java Programming(Code Tantra), Linguaskill English Test – Cambridge Assessment English (B1 CEFR Level), MS Office Applications – YSES (June–September 2022)

EXPERIENCE

Web Developer Intern (Java Full Stack) May 2025 - June 2025
SkillDzire

- Built a personal portfolio website using HTML, CSS, and JavaScript for responsive design.
- Developed backend APIs with Java and Spring Boot to handle contact form submissions.
- Integrated MySQL to store form data and manage dynamic content.
- Used Git and GitHub for version control and to host the portfolio codebase.

PROJECTS

- **SR Enterprises:** Developing a full-stack web application for a personal business venture using Java and Spring Tool Suite 4 for backend development.
- **Portfolio:** Created as part of my personal portfolio, this responsive website was built using HTML, CSS, and JavaScript to demonstrate frontend development skills and interactivity.

EXTRA-CURRICULAR ACTIVITIES

- Content Sharing Enthusiast – Regularly solve LeetCode problems and share solutions with explanations on LinkedIn, while maintaining a well-organized repository of source code on GitHub.
- Self-learned React.js and Spring Boot during free time to enhance full-stack development skills.
- Video Editing Enthusiast – Skilled in using mobile editing tools like Alight Motion and CapCut to create engaging and creative short videos as a hobby.
